What is this about?

All IAC dancers and non-dancers are invited to perform either a solo, duet, trio, or small group number. This is **not** mandatory! This is an additional opportunity for your dancer to perform and learn new choreography outside of their typical dance class.

Who can participate?

Everyone! Whether your dancer is currently enrolled in a class or not, we welcome all to sign up to perform a solo, duet, trio, or small group piece in our recital! Each dancer may choose whichever option they feel the most comfortable with. If your dancer wishes to perform in a small group, please form your own group of participants and sign up as a collective.

Why should I participate?

This is a fantastic opportunity for all performers to explore a unique dance experience outside of a traditional studio setting. Each dancer will gain more individualistic help and attention – especially when working on a solo or duet – as well as further their education on a dance style of **their choice**. You heard right! **You** – the dancer – will pick which style you want to focus on, then **we** – the instructors – will pick your music and create choreography for you based on your style of choice!

Requirements:

In order to participate, you must meet or be prepared to fulfill the following requirements:

- Dancer's age: 5 years and older
- Attend a minimum of 6 hrs. of virtual or in person private rehearsals to learn choreography. Dates, times and location agreed upon by dance educators and dance guardians. Rehearsals can be held at any of our partner park district locations.
- Assist in acquiring a costume to match the choreography (the costume may be assembled from items in your personal closet OR you may work with IAC staff to purchase a new costume).
- Be available to attend Dress Rehearsal and Recital at Lake Park High School weekend of June 6-7

Private Rehearsal:

A minimum of **6 hours** of private rehearsals is required to participate in a solo, duet, trio, or small group. Dancers are welcome to request and pay for additional private rehearsals too! The pricing of 6-hours of private rehearsals are as follows:

1 Dancer - \$450

2 Dancers - \$225

3 Dancers - \$150

4 Dancers - \$113

The above pricing will cover 6 hours of private lessons including studio rental fees, 1 ½ to 2 minutes of choreography to the style of the dancer's choosing, a production fee (which consists of rehearsal and recording time in the performing space), editing fees, access to the pre-recorded production for 1 week and a professional picture sitting fee.

*The above pricing does **NOT** cover costumes, printed pictures or digital download.
