Dear Innovation Arts Connection Dance Guardians,

We are so excited for our 2023 Spring Production! This year is still going to be a bit different, but we are excited to be moving back towards a normal recital! This year we will be producing 3 live performances and 1 big recorded dance production called “Roll Out the Red Carpet”!

Each class will perform a routine that represents a movie, television show or Broadway show that has won an award and our lead role characters will act out a fictional award show to tie all the routines together. All dance classes will learn one routine and receive one dance costume. West Chicago Park District dancers will have their dress rehearsal & performance on Wednesday, June 7 at the ARC Center. Park District of La Grange dancers will have their dress rehearsal & performance Thursday, June 8 at the Recreation Center and Medinah/Bloomington Park District dancers will have their dress rehearsal on Friday, June 9 and performance on Saturday, June 10 at Lake Park High School East Campus. During these dress rehearsal/performance days each class will be assigned a 15-30 minute time slot for dress rehearsal and all dancers will be assigned a 30-90 minute time slot for the performance. Each class will have 10 minutes to practice on stage and record their routine with the videographer during dress rehearsal and all classes will perform in their park district show.

Performances will run 30-90 minutes (Wego-30 minutes, PDLG 45-60 minutes, MPD 60-90 minutes). Each dancer will receive 2 complimentary tickets for the live performance. Additional tickets can be purchased for \$7.

All dancers will receive a private Youtube link for viewing the entire recorded production free for one week. The link will be available from Sunday, July 15 to Sunday, July 22. Digital Downloads of the show to keep will be available to purchase for \$29.99.

Please read the information in this packet very carefully and be sure to add all the dates and times to your family’s calendar. All schedules and details included are very important. Well-informed guardians can help the performance season run smoothly and be less stressful for everyone! All of this info will be on the Innovation Arts Connection Recital Portal as well: [2023 Recital Portal](#)

## **CORRESPONDENCE**

This time of year we send many email reminders and have many after class reminders. Most scheduled reminders will be sent on Monday mornings, but there may be some last minute reminders that go out at other times. We ask that you make sure both Ms. Lora's email [lora@innovationartsconnection.com](mailto:lora@innovationartsconnection.com) and Ms. Kinzy, our virtual assistant's email [innovationartsconnection@gmail.com](mailto:innovationartsconnection@gmail.com) be saved to your contacts so that you don't miss anything. If you are not receiving emails we highly recommend you check your spam folder and see if our emails have been bouncing there. If you still cannot find them please contact us with a working email.

## **COSTUME INFORMATION**

**COSTUMES**— Costumes will be distributed the first week of March. **If you have issues with your costume please contact Ms. Lora at [lora@innovationartsconnection.com](mailto:lora@innovationartsconnection.com) within 48 hours of receiving your costume.**

***Exchanges/returns are not guaranteed.*** Once costumes are in your possession it is your responsibility to take care of them. Dancers are responsible for all alterations on their costumes. Please store all costume pieces including tights in a safe place and do not wear them until Picture Day/Performance Day. We recommend that you write your name or initials in all costume pieces and keep them in a garment bag. You will receive a costume checklist to keep with your costume as well as a costume care form with more information on how to care for and protect your costume.

**ACCESSORIES**—All accessories will be included with your costume. They may include barrettes, hats, gloves, arm bands, etc. Please wear the assigned tights, socks and accessories on Picture Day and Performance Day. Accessories (including tights, socks) should only be worn on Picture Day/Performance Day. At this time masks are optional. We will provide a disposable mask that matches your costumes for anyone who would prefer to wear a mask while performing. If mask policies change all dancers will be provided with a performance mask.

**HAIR**—All classes must have their hair in a bun or ponytail or pulled back and out of the face (including bangs). Your dance teacher will direct you on specific hair styles if needed. All barrettes, hats and hair accessories are to be worn on the dancer's right side of their bun or ponytail.

**MAKE-UP**—Make-up is OPTIONAL! However, we do recommend light make-up due to the bright stage lights. Blush, lipstick and mascara are encouraged. Eye shadow, eyeliner and other applications are welcome. Sticking to neutral colors is ideal because it will compliment all costumes and lighting.

**TIGHTS, SOCKS & UNDERGARMENTS**—Color matching tights for costumes with leotards, shorts or leggings or black socks for pant costumes are required with your costume and will be provided with your costume. Please wear the assigned color matching tights or black socks. All undergarments (including nude leotards, bras, briefs) should be skin colored. Other undergarments, including underwear, colored bras and tank tops, ARE NOT ALLOWED!!! All bras must have nude or clear straps.

**SHOES**—Dancers should wear their appropriate dance shoes to Picture Day and the Performance Day. About a month prior to the performance check to make sure your dancers shoes are still in good condition and fit. If you need new shoes you can purchase them on our Nimbly shop:

<https://www.shopnimbly.com/innovationartsconnection> Please note due to chain supply issues there are many out of stock and back order items. Provide yourself with plenty of time to order new shoes. Here are the shoe requirements for each class:

Ballet: Pink or skin tone matching ballet shoes—laces tucked into shoe

Jazz & Hip Hop: Black slip on or lace jazz shoes

Tap: Black slip on or lace tap shoes

Company/Lead Roles/Solos: Confirm with your teacher

## **PICTURE DAY/DRESS REHEARSAL/PERFORMANCE DAY COSTUME**

**REMINDERS:** Please arrive on Picture Day, Dress Rehearsal & Performance Day with hair and make-up done and costume on! There will not be time to do hair or make up before the event. The public bathrooms will be open, but we do not recommend changing into your costume in them. We will have the dance studio or a classroom open to serve as a dressing room, however, some of our classes are co-ed. The windows will be blocked off, but we do not recommend doing full changes in this room. Please clean up after yourself in the dressing room. We recommend that you store and bring your costume in a garment bag and label all costume pieces including shoes and accessories with your initials. Dancers with multiple costume changes are recommended to wear a nude leotard as a base for easy quick changes. Company

members, Lead Roles and Soloists will have a private dressing room for quick changes.

#### **PROHIBITED DURING PERFORMANCE DAY:**

- Glitter
- Jewelry of any kind
- Nail Polish
- Temporary Tattoos or drawing on hands/bodies
- Exposed Undergarments (Underwear does not need to be worn with tights. Nude leotards, nude bras and nude briefs.)

### **Checking in**

Please arrive in full costume, hair and make up **15 minutes prior** to your assigned call time. **We HIGHLY ENCOURAGE you to take your child to the restroom before checking in.** Depending on how early you are you may be asked to wait to check in until your block time. We will start rehearsals as soon as all dancers have arrived or at the call time. Make sure all audience members arrive 15 minutes prior to performance

time. If they are late we cannot hold the show for them. \*\*\*For PDLG we HIGHLY RECOMMEND encouraging your family members to arrive 30 minutes early due to the parking lot construction at the park district. There may be a shuttle service provided for overflow parking which may cause us to start a few minutes late. We will have updated information on the parking situation one week prior to the show. Please check your email or the Recital Portal for updates.

### **Dress Rehearsal**

During the rehearsal time only dancers and dance educators will be allowed in the performance space. Too many adults makes dancers feel self-conscious and confused while rehearsing. Additionally, we need the performance space to be very quiet to capture proper sound for our videos. If you miss your time we will not be able to go back and perform for a second time. ***Please be sure to be on time, in full costume/hair/make-up and ready to go for your assigned time!***

### **During the Show**

No pictures or videos are allowed during the performance. The lights and sounds of your devices can be distracting to the dancers and other audience members. We also want you to experience your dancer's performance live without worrying about snapping a perfect picture. If you would like a recording of your dancer's performance we encourage you to attend Family Observation during their last class or purchase a digital download of the performance. We will also have action shots of all performances available for purchase from A&D Photography.

Food and drink are not allowed in the performance space or in the dressing room. Water is the only allowed beverage.

### **After the Show**

After the performance we ask that you save all pictures and socializing for the lobby so that building maintenance can clean up. Dance teachers may not be immediately free for pictures. We suggest you take pictures with your teacher during picture day or the last class of the session.

If you do get any pictures at our step & repeat photo opp we would love for you to share them on social media and tag us @innovationartsconnection.

Make sure your dancer has all their dance shoes, costume pieces, water bottle and recital goodie bag before leaving.

Please make sure to check your dancer in and at the end of the show please sign your dancer out. Anyone who doesn't sign out will be receiving a phone call from IAC staff to make sure your dancer is safe.

### **Tickets**

Each dancer will receive 2 complimentary tickets to their performance completely FREE as a special treat from IAC. You can secure these starting on May 1 at <https://www.innovationartsconnection.com/spring-production-2022>. You will be asked to complete a form noting your dancer and info for your 2 free attendees. Then you will receive an email from IAC with a digital ticket. You will show this ticket at the door to an IAC volunteer for entry.

Other family members can purchase a ticket for \$7 starting on May 1 at <https://www.innovationartsconnection.com/spring-production-2022>. They will complete a similar form including online payment and receive their ticket in an email. This ticket will need to be shown at the door for entry.

**ALL TICKETS INCLUDING COMP TICKETS AND EXTRA TICKETS MUST BE PURCHASED ONLINE BY FRIDAY, JUNE 2!** We will not be selling tickets at the door. All audience members must show their ticket on their phone to get in.

### **Before the Performance Day please complete the following:**

- Label all of your dance costume pieces, shoes, accessories.
- Review the schedule and be prepared.
- Check to make sure you have all costume pieces including tights, mask, socks, shoes and accessories.

### **Production T-Shirts & Swag**

Souvenir Production T-shirts & other production swag will be available on our Bonfire page starting Monday, April 3rd. Please keep in mind all orders will take up to 2 weeks to deliver. You can order your Production T-shirts & Swag here: Link Coming Soon!

### **Production Digital Download**

All dancers will receive a link to a private Youtube link for viewing the pre-recorded production. The link will be available between Sunday, July 16 and Sunday, July 23. ### **Dance Picture Day**

All dancers will take a professional group photo with their class and have an opportunity to get an individual photo as well. Guardians can order souvenir photos directly from our NEW professional photographer, Capture Photography, [www.capturephoto.net](http://www.capturephoto.net), [info@capturephoto.net](mailto:info@capturephoto.net)

You can book a deposit for your individual photos using the link above. Deposits are \$10 per class. This is only required for individual dancer photos. **Individual photos will not be taken without a paid booking.** You must book your slot in advance of picture day; bookings will close by May 5th. All dancers will be in the group photo regardless of bookings. You will receive an email when your dancer's photos are ready, and can then choose what pictures and packages to purchase. The \$10 deposit will be applied to

your photo purchase. Ordering will only be available for 2 weeks. A flier will be handed out in class with more detailed steps and instructions.

During this day you will want to make sure your dancer is looking their best! They will get their professional pictures taken by Capture Photography. Please arrive 15 minutes prior to your call time in full hair, make-up and costume ready for your picture. We are hoping to run ahead of schedule so that we can get out early. Being early to your call time ensures we can do this. After checking in you will head into the dance studio or assigned waiting area room. Only 1 guardian may be in the dance studio or activity room with their dancer. Other children including siblings are not allowed. This will be a co-ed area. Dancers with multiple costume changes can use the bathrooms or locker rooms. We HIGHLY RECOMMEND guardians assist dancers with costume changes. Once all dancers have arrived an IAC volunteer will walk the dancers to the photography area to get a group photo and individual photo. Please note that guardians are not allowed in the photography area. Too many adults makes dancers feel self-conscious and confused and can make the photo process much more stressful and longer than it needs to be. Ms. Lora/Ms. Miranda will assist the photographer and be a familiar face. Guardians will be expected to stay in the dance studio or assigned waiting area while their dancer is photographed. After their photos an IAC volunteer will bring them back to their guardian. At that point dancers will either need to quickly change for their next dance or they are free to go home. Please make sure to sign dancers in and out.

**Medinah Park District, Park District of La Grange, West Chicago Park District and Innovation Arts Connection employees are not responsible for your child during Dance Picture Day. Please stay with your child for the entirety of the Dance Picture Day.** This rule includes all dancers including older dancers. Please make sure someone is supervising your dancer. If you miss your picture time we will not be able to include you in the group picture. Please be sure to be on time and present for your assigned time!

While in the dance studio or assigned activity room please clean up after yourself. After each group the IAC staff/volunteers will sanitize the photo area and dance studio/activity room.

At this time masks are optional. IAC will provide a matching mask for your dancer upon arrival on picture day for anyone who would like to wear a mask in their picture. A clean table with individual baskets will be provided for dancers who feel comfortable removing their mask during pictures. Baskets will be sanitized between each use.

It is important to have all dancers in their Group Picture. All group pictures will be featured in our Spring Production Yearbook. All dancers are welcome and encouraged to pose for the group shot even if you choose not to purchase professional pictures.

**All Picture orders must be placed with the Capture Photography links above and must be done prior to picture day.** Only students with a receipt will be photographed individually. There are no paper orders and no day of orders. Make sure to order prior to attending Picture Day. More info on order dates coming soon.

### **Production Yearbook**

We are creating a professionally designed and printed in color dance yearbook to showcase our dancers. The yearbook will have all class group photos, head shots of lead roles, show order, class lists, memories from the 2022-2023 season and shout-outs and business ad space. Yearbooks will go on sale starting Monday, May 8th here: [www.innovationartsconnection.com/shop](http://www.innovationartsconnection.com/shop). If you would like to purchase a shout-out or business ad space please visit: <https://www.innovationartsconnection.com/sponsorships>. Shout-outs and Business Ads are due Friday, May 26th. All yearbooks can be picked up at the park district front office during business hours starting July 17th.

### **Dancer Yard Signs**

Yard signs are a great way to show support for your dancer and our dance programs. Yard signs are customizable based on the dancer's name and the size of the sign and come with metal stakes. Yard signs can be purchased for \$19.99-\$35.99 here: [www.innovationartsconnection.com/shop](http://www.innovationartsconnection.com/shop). Please note yard signs take 1-2 weeks to make. Once they are completed you can pick them up from the park district at a designated time.

Spotlights range from \$15-75. They will go on sale starting Monday, May 8th. More info and order link to come soon.

## **Q&A**

- 1) **How much does the Spring Production Cost?** The only required cost is your tuition which was already paid! Additional fees are optional and include Professional pictures, Spring Production Digital Download, Spring Production yearbook, shout out or ad space, yard signs, Spring Production t-shirt/swag. Additional tickets beyond your two comp tickets
- 2) **How many routines will my dancer learn?** Dancers will learn 1 routine per class and receive 1 dance costume.
- 3) **What time is Performance Day?** The Performance Day schedules are above. All Medinah/Bloomington dancers will be scheduled on Saturday, June 10th, La Grange dancers will be scheduled on Thursday, June 8th and WEGO dancers will be scheduled on Wednesday, June 7th.
- 4) **How can I view the show?** With your production fee each dancer received two free comp tickets to the live show. All other audience members can purchase a ticket for \$7. Also, all dancers will receive a link to a private Youtube link for viewing the pre-recorded production. The link will be available between Sunday, July 15 and Sunday, July 22. Digital downloads will be available for purchase.
- 5) **How do I get my free comp tickets or purchase more tickets?** Visit <https://www.innovationartsconnection.com/spring-production-2022> and click on the appropriate link. It will direct you to a form to select which show you are attending and which dancer you are supporting. You will pay online for your additional tickets. Once processed you will receive an email from IAC with your ticket. You will show that ticket at the door to an IAC volunteer for entry. All tickets must be purchased online before the show.
- 6) **Are you selling DVDs?** No, but will have a digital download of the show available for purchase.
- 7) **Can I share the Spring Production Youtube link?** Yes you can! It is a private link which means only people with the link will be able to view it. It will not be searchable. For the safety of our dancers we ask that you only share this with your trusted family and friends and do not post it publicly. You can watch for free from Sunday, July 16-Sunday, July 23. After that the link will become private, but you can purchase a digital download.

[Park District of La Grange](#)

- 14) **My dancer's costume doesn't fit/is damaged. Can I return it?** Costumes are a very tricky process. It is not easy to return costumes and this year it is not easy to get a new costume due to supply chain issues. This is why we had everyone approve the size suggestion. We can only return costumes that are too small (ie. costume cannot be pulled up, costume does not cover bottom or chest) or costumes that come damaged. We do not return costumes that are too big. If you have any issues with your costume you must contact Lora at [lora@innovationartsconnection.com](mailto:lora@innovationartsconnection.com) within 48 hours of receiving your costume. We will do the best we can to accommodate.
