Dancers are welcome to wear black leotards and tights under their shirts, but they are not required. Please make sure pants are not longer than their shoes to avoid slipping.

Parking

Show will begin promptly at 2:00pm and dancers are expected to be present by 1:45pm. Remember PDLG has limited parking and the weekends can be very busy at the community center. Please give yourself extra time to park and consider carpooling if possible. Please remind family members who are not familiar with our facility. All late arrivals will be asked to wait outside of the gym while a routine is in progress and can enter in between pieces. The showcase will run about 20 minutes with no intermission.

Seating/Dismissal

All dancers will be seated in the gym with their class during the showcase. In class we will not only be practicing our spring showcase routine, but we will be discussing the importance of being a good audience member. It is expected that all dancers will sit with their class during the entire showcase to practice audience etiquette. An IAC volunteer will sit with each class. At the end of the showcase I will dismiss each class one at a time to their families. Guardians will be asked to sign their dancer out before leaving.

Post Showcase

After the Showcase IAC will provide cookies and a small craft for dancers and their families. Please feel free to take pictures and visit with the PDLG and IAC staff and other families.

Dance Shoe Drive

At the Spring Showcase we will be collecting gently used dance shoes for Traveling Tutus. This organization collects dance shoes and distributes them to children all around the world. Please visit their website for more info: www.travelingtutus.org
